Thank you for your interest in TIS! Located just outside of Tianjin in **The People's Republic of China**, our school was established in 1995 by the Tianjin Economic-Technological Development Area (TEDA) government to support the families of the international business community.

TIS offers early childhood, primary and secondary educational programs, including a wide range of Advanced Placement (AP) offerings, to children of foreign and local families in the area. Our U.S.-oriented curricula integrates seven key **Expected Schoolwide Learning Results** (global citizenship, effective communication, problem-solving, critical thinking, character development, life-long learning, and creativity) into formal instruction, athletics, events and activities. Although Chinese language and culture are incorporated into our curricula, **English is our primary medium of instruction.**

TIS serves a culturally-diverse community and facilitates the growth of each student's unique capacity through high academic standards and real-world application, practical leadership opportunities, character-building and opportunities to serve our local and global communities.

TEDA is a “new city” by Chinese standards, just 30 years old. Part of the Binhai district, it is near the international shipping port, and is characterized by wide avenues, plenty of green space, modern buildings, western-style malls and stores, international restaurants and cafes, clinics and hospitals. Western food and groceries are readily available, and most residences, shops and TIS are located within 3km. of each other. Rental bikes and taxis are cheap and plentiful, and most destinations are a short walk or ride away.

Average Cost of Living in TEDA (for a single teacher)	
2 bedroom apartment	4,000-6,000 ¥/month + 500 ¥/month maintenance
Utilities	500-700 ¥/month
